Your affiant PATROL SAUNDERS can truly state that: Investigation by unit #133-F (S/CPL J. SAUNDERS) revealed that at 1041 hours, 17 October 2008, while assigned to a law enforcement task force (commonly known as "Jump Out" detail) for the Wilmington Police Department and in a marked police patrol vehicle, was dispatched to the area of E. 9th & Kirkwood Streets, which is located in the City of Wilmington, County of New Castle, State of Delaware. It should be noted that this is a known high drug-related area where the listed officer has conducted numerous drug-related arrest. Additional officers of the task force were already present. They were requesting S/CPL J. SAUNDERS' assistance for prisoner transport. According to CLP W. DRAPER, CPL T. ESTERLING and M/CPL D. CRAMER, they observed three male subjects (later identified as Kashief DOLLARD: 7-27-86; Jordan RICKS: 1-4-87; and Everette ROGER: 1-15-77) who appeared to be standing on a public sidewalk without any apparent reason. One of the three suspects discarded an unknown item underneath a parked vehicle, which later revealed to be a bag of (crack) cocaine--although the specific suspect who discarded the drugs could not be determined. A pedestrian stop was conducted on the three suspects. RICKS was found to be in possession of \$837 in U.S.C., various denominations without a billfold and in various pockets. He could not provide a valid reason for having this amount of cash on his person and he later denied owning it. These are common characteristics with known drug dealers. A subsequent check with DELJIS revealed that all three suspects had outstanding capiases (DOLLARD had three outstanding capiases; RICKS and ROGER had one each). Accordingly, they were taken into custody and transported to Central for additional processing. While in the turnkey area, and still handcuffed, DOLLARD appeared to be nervous by moving around and fidgeting with the back of his pants. S/CPL J. SAUNDERS conducted a strip search of DOLLARD in the turnkey area, which revealed a dilapidated piece of clear plastic in his buttocks. Inside this dilapidated plastic was another smaller piece of clear plastic that was fashioned into a bag that was twist-tied into a knot. Inside this bag was an off-white rock-like substance. Also, within the dilapidated piece of clear-plastic were additional off-white rock-like substances. The substances were seized, field tested (resulting in a positive reaction for cocaine) and weighed (combined weight of 0.55 grams). It should be noted that due to the deteriorating condition of the dilapidated piece of plastic this items was discarded by S/CPL J. SAUNDERS; the smaller piece of plastic that was fashioned into a bag and its cocaine and the other cocaine were retained and later released to the Record's Division as evidence. It should be noted that 0.55 grams of (crack) cocaine is generally a large amount for one person to smoke/ingest. Additionally, the location where the three suspects were first observed by police (E. 9th & Kirkwood Streets) is within 300 feet of Central Baptist Church, located at 839 N. Pine Street, which is also located in the City of Wilmington. RICKS and ROGER were issued criminal summonses for loitering for drugs (summons #: 121526 and 121524). K-9 Officer WHITEHEAD's K-9 indicated that traces of drugs were on/about

the \$837 of U.S.C., which was seized (see supplemental report of WHITEHEAD and ESTERLING). It should also be noted also be noted that the discarded (crack) cocaine was retained as found property along with a handgun that was also found in the area by CPL R. EVANS who was also a member of the task force. (See supplemental report of EVANS for details).
